

Fasetto,

As a Full Stack Web Developer, I am writing to express my interest in the position of Full Stack Developer. My experience interning with ExitNest, maintaining their website and databases, along with coding in the University of Arizona's Full Stack Coding Boot Camp, has prepared me to succeed at this position.

I am passionate about building websites and API's. I have newly developed skills in React, Node, MongoDB, and JavaScript. I love to code outside of work and school to learn and create. I am creative minded, hardworking, and I work well with others. I feel that I would be a good part of your team.

You can contact me at 480-490-5198 or [thenicoleduncan@gmail.com](mailto:thenicoleduncan@gmail.com). Thank you for your time and consideration.

Best regards,

Nicole Duncan
