Dear Ms. Jakki Liberman:

As a Web Developer and designer, I am writing to express my interest in the position of Web Designer and Manager at Bumkins Finer Baby Products. My experience freelance developing websites for companies like Elise Glover Photography and MadPics AZ, has prepared me to succeed at this position.

I am passionate about the aesthetics and functionality of a website. It is important to me that one's website reflects their company goals in a way that will capture the attention of the audience. I am fluent with HTML, CSS and Shopify along with several other languages and applications. I work well with others and I feel that I would be a good part of your team.

You can contact me at 480-490-5198 or thenicoleduncan@gmail.com. Thank you for your time and consideration.

Best regards,
Nicole Duncan
