summary

Front End Web Developer leveraging a background in general business to create aesthetically pleasing websites. Earning a certificate in Full Stack Development from the University of Arizona, with newly developed skills in JavaScript, CSS, React.js, and responsive web design.

education

University of Arizona | | Certificate in Full Stack Development

AUGUST 2019 – FEBRUARY 2020, GILBERT, ARIZONA

Known amongst my cohorts as the front-end designer passionate about developing beautiful websites, with a focus on mobile-first design and development. With each project, my aim is to best engage my audience for an impactful user-experience, all the while, working well with my team. Excited to leverage my newly developed skills such as JavaScript, CSS, React.js, Node.js, and MongoDB in the future as part of a fast-paced, quality-driven team in order to design and develop.

Mesa Community College | | General Business

AUGUST 2017 – MAY 2019, MESA, ARIZONA

Studied general business courses at Mesa Community College to better understand personal and business management, finances, working with people, and professionalism.

Mountain View High School | | Diploma
